

Introduction and Overview

What is in this document:

What is CAADP?

Who are the Non-State Actors?

Vision, Mission, and Values

Goals and Objectives

Mandate and Responsibilities

How to Get Involved

The CNC aims to realize CAADP by:

- Informing and advocating for inclusive policies
- Supporting and implementing relevant programs and initiatives to deliver results
- Creating awareness of national, regional, and continental-level policies and resources

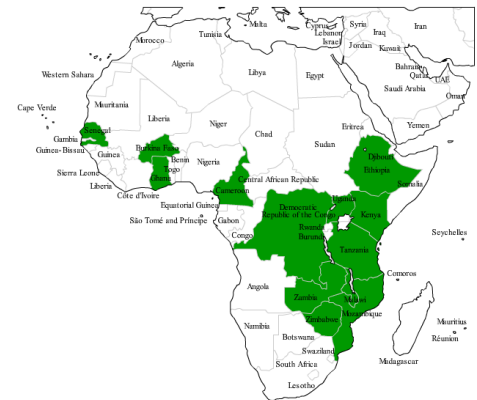

What is CAADP?

CAADP aims to achieve an agriculture-led socio-economic growth that will create wealth, tackle poverty and reduce hunger which requires broad and inclusive coalitions committed to acting in concert to improve the sector's policies, programming and institutions. However, CAADP also recognizes that to transform African agriculture it is imperative to build broad and inclusive coalitions of state and non-state actors.

Who are the Non-State Actors?

Non-State Actors (NSAs) are actors outside of government, whether organized or not, who share the vision and objectives of CAADP. Examples include :

- Private Sector
- Farmer Organizations/Associations/ Networks,
- NGOs
- Academic and Research Organizations
- Faith-Based Organizations
- Community-Based Organizations
- Labor Unions
- Media
- Youth Organizations
- Women's Organizations.

CNC is a Pan-African Coalition of NSAs

CNC fosters common understanding and shared goals related to achieving CAADP.

Vision, Mission, and Values

CAADP NSA Coalition 2025 Vision for Africa: A prosperous Africa where growth is shared among citizens through agricultural transformation and wealth creation.

Mission: To enhance citizen engagement and ensure delivery of quality agricultural services, through evidence based policy advocacy and capacity development for CAADP implementation at all levels.

Values: The CAADP NSA Coalition is unreservedly committed to upholding the following core values:

- Respect for diversity and inclusiveness
- Mutual accountability and transparency
- Commitment to agriculture development
- Ubuntu People centeredness
- Unity of purpose

Goals and Objectives

Goal: To contribute to ending hunger and malnutrition in 2025 through enhanced agricultural production and productivity, policy implementation, responsible investments, and inclusive participation in the CAADP agenda.

Objective 1: To create awareness on sustaining CAADP momentum and improve CAADP implementation through effective participation of NSA actors at all levels

Objective 2: To advocate for policy reform towards the CAADP implementation in line with the Malabo Declaration

Objective 3: To strengthen capacity of NSA Coalition to deliver on its mandate effectively and efficiently

Mandate and Responsibilities

The CNC and its members will achieve its mandate in the following ways:

- *Policy dialogue and planning*—through inclusive dialogue to share ideas, evidence, and expertise
- *Implementation*—to align programs and resources in support of shared goals
- *Reform*—to promote an enabling environment for government, private sector, and civil society to achieve results
- *Agenda setting*—through influencing public opinion, reporting progress, researching key issues, and networking to create a coordinated response
- *Advocacy*—with policy briefs, dialogues/forums, participation in annual agricultural sector reviews, and recognition of good/promising practices
- *Accountability*—through strengthened citizen participation and mutual stakeholder accountability
